MESSAGE

On the pious occasion of the Convocation of Central University of Haryana, I congratulate the graduating students on fruition of their rigorous academic journey. Their achievements are the outcome of their persistent efforts, hardwork and dedication accompanied with the caring support of parents, teachers and the society in general. These students should cherish lofty goals for their professional career while remaining sensitive about the expectations of the society and the nation which nourished and groomed them to become the competent professionals in their respective areas of specialisation.

I am also delighted to learn that within a brief span of ten years the University has emerged as a prospective university in the southern part of Haryana. It is quite satisfying to note that the University has achieved numerous milestones in academics, innovation, research and extension activities. The enrolment of 48% students from 24 states other than Haryana speaks volumes of the prestige of the University. Similarly, success of 213 students in NET/JRF and GATE examinations stands testimony to the devotion of the students, quality faculty and conducive learning atmosphere. The phenomenal growth of this young University in publications, research projects and physical infrastructure also deserves mention.

Once again, I compliment Prof. R.C. Kuhad, the Vice Chancellor, teachers, the students and non-teaching staff of the University for their commitment to institutional growth. I also wish the University the good luck for the publication of the Convocation Souvenir!

दीक्षान्त समारोह के लिए शुभकामनायें

मुझे यह जानकर अत्यन्त हर्ष की अनुभूति हो रही है कि हरियाणा केन्द्रीय विश्वविद्यालय, महेन्द्रगढ़ अपना पांचवाँ दीक्षान्त समारोह 28 फरवरी 2020 को आयोजित करने जा रहा है। इसके लिए मैं विश्वविद्यालय परिवार एवं इसके मुखिया प्रो. रमेश चन्द्र कुहाड़ को अपनी हार्दिक शुभकामनायें प्रेषित करता हूँ।

किसी भी विश्वविद्यालय के लिए दीक्षान्त समारोह अत्यन्त महत्त्वपूर्ण अवसर होता है। दीक्षान्त समारोह- से विश्वविद्यालय की उपलब्धियाँ परिलक्षित है। यह मेरे संसदीय क्षेत्र का गौरवाशाली विश्वविद्यालय है। इसका परिवेश उच्चतम गुणवत्ता के साथ जितनी शीघ्रता से विकसित हो रहा है वह वाकई प्रशंसनीय है। विभिन्न क्षेत्रों में न केवल राष्ट्रीय स्तर पर अपितु अन्तर्राष्ट्रीय स्तर पर उदीयमान विश्वविद्यालय ने अपनी शानदार उपस्थिति दर्ज कराई है। विश्वविद्यालय की उन्नति से मैं पूरी तरह से अभिभूत हूँ। इस कामयाबी के लिए न केवल प्रो. कुहाड़ को अपितु विश्वविद्यालय के सभी प्रोफेसर्स, प्राध्यापकों, कर्मचारियों और विद्यार्थियों को मैं साधुवाद देना चाहता हूँ तथा कामना करता हूँ कि हरियाणा केन्द्रीय विश्वविद्यालय इसी तरह दिन दूनी-रात चौगुनी उन्नति करता रहे।

MESSAGE

The Central University of Haryana was established in the Southern part of Haryana in the year 2009 with a view to seeking & cultivating new knowledge and to providing right kind of leadership and competent trained workforce. I have had the opportunity to observe the growth & development of this young University from close quarters. I am happy to place on record that during such a short span of time the University has shaped up exceedingly well in terms of both academic excellence and infrastructural facilities. Under the stewardship of Professor R.C. Kuhad, the University has successfully created an inspiring learning and living environment on its campus. His singular focus on diversification of curricular provisions and research & innovation has transformed the campus into a place of happenings. What is even more remarkable and noteworthy about the University is its relentless efforts to promote equality & social justice and to foster good values both in students and society.

It is the overall academic ambience of the University which has truly diversified the student population on its campus by attracting students from diverse socio-cultural, regional and linguistic backgrounds. It is a matter of great satisfaction that the consistent efforts of the University faculty have yielded the desired outcomes in the form of students' achievements in various national-level competitive examinations, quality publications, innovative pedagogical strategies, and expansion of academic base with 9 schools, 33 departments and 60 programs of study.

Entering into its eleventh year of inception, the University has marked its place among the fastest growing young universities of the country. One of the most notable features of CUH is that it has grown incessantly despite the challenge of geographical location.

Now, as the University is organizing its 6th Convocation, I congratulate all the graduating students for converting their dreams into reality by putting sincere efforts in studies. The success of these students shall make their parents and teachers proud. On this occasion, I wish a bright future for all the graduating students who shall be conferred with degrees during this Convocation. Alongside, I would also like to congratulate all the members of the faculty for their outstanding contribution in providing the students a vibrant ecosystem of learning.

I take this opportunity to congratulate Prof. R.C. Kuhad, Vice-Chancellor for his visionary leadership and seminal contribution in shaping the University as a vibrant center of excellence.

Last but not the least, I wish all the very best and great good luck to all the family members of the Central University of Haryana for their fabulous contribution in the service of the University and for the successful organization of this Convocation and publication of the Souvenir.

MESSAGE

On this pious occasion of the sixth Convocation of the University, I congratulate all the degree recipients and Gold Medallists who have earned the respective degrees through their persistent hardwork and devotion for studies. Their parents and teachers also deserve the best of compliments for supporting these students during the struggling phase of their life. These students might not have achieved the pinnacle of desired success without the constant motivation of the peers and their seniors. Obviously, the society as a whole has contributed generously in enabling the youth to realise their cherished dreams. Therefore, these graduating students have the bounden moral responsibility to acknowledge, thank and repay their parents, teachers, friends, community alma mater and all those who have, directly or indirectly, made their academic journey pleasurable.

The sixth Convocation coincides with completion of a decade long arduous journey of the University which was established with the vision to “develop enlightened citizenship of a knowledge society for peace and prosperity of individuals, nation and the world, through promotion of innovation, creative endeavours, and scholarly inquiry”, and I am happy to share that the University fraternity has been unfalteringly pursuing the cause of institution building so as to develop it as a promising institute of higher learning and research. The most satisfying fact about the successful journey of the University is that, conquering all the difficulties during its nascence, we have been able to perform par excellence in academics, research, pedagogical innovations and community service while cherishing the guiding

principle of inclusive quality education. The University has now emerged as a hotspot for the aspiring youth from across the length and breadth of the country so much so that presently 48% students represent 25 different states other than Haryana.

Cherishing the demographic diversity, the University students have brought laurels by excelling in national-level competitive exams like UGC/CSIR- NET/JRF and GATE. Here, I feel privileged to put on record my appreciation for 213 students who qualified these exams in the year, 2019. Similarly, I extend my hearty compliments to the teachers who have earned the sponsored research projects, fellowships and awards from prestigious funding agencies and organisations. It is a matter of delight for us all that the year-2019 saw the completion of 6 research projects, award of four new research projects, filing of three new patents and publication of 124 Scopus-indexed publications in reputed journals with impact factor as high as 12.831.

I also wish to apprise the dignitaries, parents, graduating students and the august gathering that the University has always believed in collaborative learning strategies, and offering of two MOOCs on SWAYAM platform and organisation of five GIAN course in the last one year stand testimony to it. In addition to the above, the University has shown phenomenal growth in terms of Campus Development, procurement of library resources, extension and social outreach initiatives, and expansion of academic programmes. The University organised two International academic events and nineteen national-level events with massive participation of delegates. I feel that the University fraternity could be successful in all its endeavours with the collective efforts of all the stakeholders and generous support of Ministry of Human Resource Development (MHRD), University Grants Commission, Haryana Government, District administration and local community.

Once again, I congratulate the degree recipients and the Gold Medallists, and thank all the dignitaries, media personnel, parents and community representatives for being the part of this festival of students' achievements. Last but not least, I wish the editorial team all the very best for the publication of Convocation Souvenir.

Jai Hind!
